COMPUTERIZED NUMERICAL CONTROL SYSTEM
Date of Allowance : January 30, 1980

PETITION FOR SIMULTANEOUS ISSUE

COMMISSIONER OF PATENTS

Washington, D.C. 20231

Attention: Office of Publications; CP-2, Room 5C26

Sir:

This is a petition for simultaneous issue of four patent applications in accordance with 974 OG 16. The instant application identified above incorporates-by-reference a first earlier filed application

Serial No. : 232,459
Docket No. : 108
Filed On : March 7, 1972
Entitled : COORDINATE RESOLUTION FOR NUMERICAL
CONTROL SYSTEMS
Inventor : Gilbert P. Hyatt
Date of Allowance : March 14, 1980

a second earlier filed application

Serial No. : 246,867
Docket No. : 109
Filed On : April 24, 1972
Entitled : DIGITAL FEEDBACK CONTROL SYSTEM
Inventor : Gilbert P. Hyatt
Date of Allowance : October 17, 1979

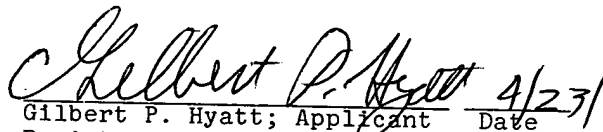

and a third earlier filed application

Serial No. : 476,743
Docket No. : 125
Filed ON : June 5, 1974
Entitled : COMPUTERIZED MACHINE CONTROL SYSTEM
Inventor : Gilbert P. Hyatt
Date of Allowance : October 16, 1979

wherein it is desireable that the incorporating application not issue before the incorporated applications issue to facilitate said incorporation-by-reference.

In view of the above, it is respectfully petitioned that said four above identified applications (Serial No. 232,459; Serial No. 246,867; Serial No. 476,743; and Serial No. 950,901) issue simultaneously.

Respectfully submitted,

Gilbert P. Hyatt; Applicant Date 4/23/1
Registration No. 27,647
